

School meals, made simpler

Getting started with the FEED app

Dear Parents and Carers,

We're pleased to introduce a new, easy to use app that helps you manage your child's school meals with confidence.

It's part of our FEED service and is designed to make day to day meal choices quicker and clearer for families.

What you can do with the FEED app

- See what's on the menu before the school day
- Pre-order meals at a time that suits you
- Choose favourites your child enjoys
- Check allergens and dietary information easily
- Manage more than one child in one place

All designed to help you feel confident about what your child is eating at school.

When you'll hear from us

This week, you'll receive an email invitation to set up your FEED account. This will come from FEED, sent by our secure app partner Kanpla.

Keep an eye on your inbox, and check your junk folder too just in case. Once it arrives, setting up your account only takes a few minutes. Here's how:

Setting up your account

1 Confirm your child's details

Open the invitation email and tap the link to get started. You'll see your child's name, school and class already filled in. Just check it's correct and tap 'This is correct' to continue.

1. Confirm that your child's information is correct.

John Doe

Our Lady of Mercy Junior School — KELLS

1st Class | Room 15 | Ms. McGuiness

This is correct

No, this is incorrect

2 Set up your account

Add your email address and choose a password. This is what you'll use to log in and manage meals going forward.

2. Complete your account by adding an email address and setting a password.

What's your email?

 Email address

3 Tell us about allergies or dietary needs

Review the list of allergens and select any that apply to your child. This helps us make sure their meals are always safe and suitable.

3. Tell us about allergies or dietary needs

This helps us make sure your child's meals are safe and suitable.

Confirm your child's allergies

Review the allergies below to make sure their meals are safe

☒ Nuts ☐ Gluten ☐ Celery

☐ Egg ☐ Crustaceans ☒ Fish

4 Got more than one child at the school?

No problem. You'll receive a separate invitation for each child, just follow the same simple steps for each one.

You're all set! Once complete, you'll be able to view menus, choose meals and manage everything for your child in one place.

If you have any questions in the meantime, please get in touch with the school office.

Best wishes,
The FEED Team
